

THE DIXIE CUP
spring classic

2061 Fish Creek Road
Cedartown, GA 30125

February 4, 2021

Wow, what a year 2020 turned out to be! We are excited that The Dixie Cup Spring Classic is returning to the Conyers International Horse Park in May 2021. We want to thank Barbara Goda for her years of guidance, and we continue to wish her a speedy recovery from her horse-related injury last May. John Goda, III has agreed to take over as show chairperson, please join with us in thanking him for stepping up to serve in this capacity.

Of course, with the ongoing pandemic, there will be changes to our show. Unfortunately, tables will not be for sale, due to social distancing and we are still working out the Friday night party. Even with the modifications, The Dixie Cup Spring Classic 2021 will be an event not to be missed.

Without your support and involvement, this event could not be successful year after year, and we would not have been able in the past to support the State of Georgia's Equine Rescue Programs, Rockdale County's Special Olympics Program, and equine legislative programs that have strengthened our equine laws.

This year, we will be supporting Georgie Equine Rescue League and their efforts to support horses from Georgia and the surrounding southeast. The Rockdale Special Olympics continues to provide support and training for our Georgia Special Olympians. This program not only allows us to give back to the community, it also rewards our volunteers. We could not have a successful show year after year without their dedication and smiles. They have been with us a long time and are an integral part of the Dixie Cup Team.

The Dixie Cup Spring Classic will again be held at the Georgia International Horse Park in Conyers on May 6 - May 8, 2021. Class schedules, the prize list, and electronic entry blanks are on the web at www.thedixiecup.com.

***We are looking to you for your support and personal assistance.
We cannot make it without you....***

Thank you!
